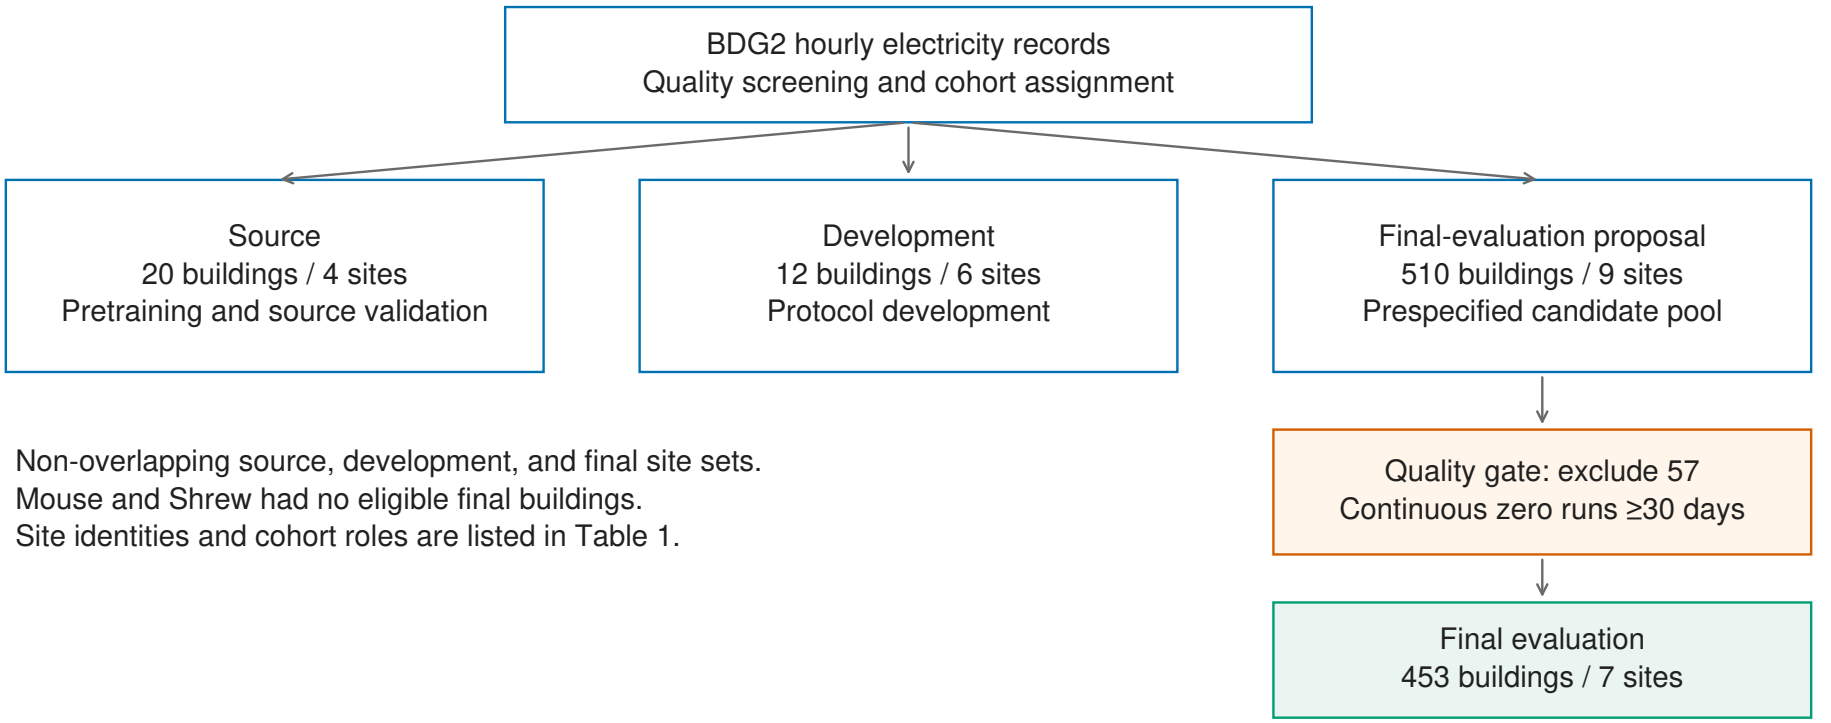
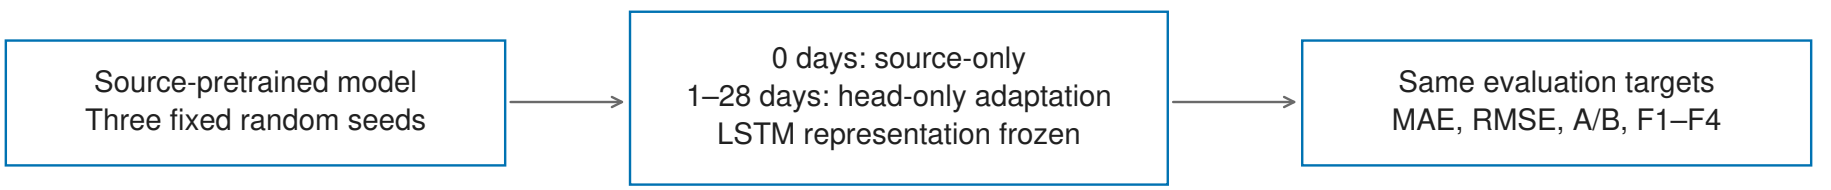
(a) Site-separated cohorts



Non-overlapping source, development, and final site sets.
Mouse and Shrew had no eligible final buildings.
Site identities and cohort roles are listed in Table 1.

(b) Available observations and fixed evaluation

Budgets (days)	0	1	3	7	14	28
Training windows	0	1	49	145	313	649

Schematic only; budgets are alternatives. Adaptation and evaluation targets do not overlap.


(c) Matched model comparison
